

The program's purpose is to furnish the residents with the knowledge and skills needed to maintain their recovery as they transition to their families and communities. New Chapters provides:

- A supportive recovery environment
- Opportunity for family involvement
- Individual treatment plans
- Individual & group sessions
- Psycho-educational groups on substance abuse & recovery skills, relapse prevention/management, life skills, health/wellness & more
- Recreational activities & groups
- Linking to self-help groups
- Access to medical & mental health services
- Assistance addressing legal issues
- Vocational & educational groups
- Connections to multi-service referral network
- Individualized aftercare planning

for men's growth & recovery**

New Chapters

A program of SEMCOA
(Southeast Massachusetts Council on Addiction)

**33 South Sixth Street
New Bedford, MA 02740**

New Chapters is a 27-bed residential recovery home for men age 18 and older with histories of substance use disorders and possible co-occurring mental health diagnoses.

Priority admission for men who entered inpatient treatment as a civil commitment under MLG, 123 Section 35 and are now voluntarily agreeing to further treatment.

Clients on or seeking referral for Medication Assisted Treatment (MAT) welcome.

For information and/or to make a referral, call
774-202-4820 or 774-202-4827
Fax: 774-202-0825
